

CALL FOR PAPERS

PACLING 2017

Conference of the Pacific Association for Computational Linguistics

August 16 - 18, 2017

Sedona Hotel, Yangon, Myanmar

<http://pacling.ucsy.edu.mm/pacling/>

SCOPE

PACLING 2017 will be a high-quality, workshop-style conference whose aim is to promote friendly scientific interaction relating to computational linguistics among Pacific rim countries. The emphasis of the conference is on interdisciplinary scientific exchange open towards original high-quality research including one which might fall outside current dominant schools of thought, and on technological transfer within and across the Pacific region.

The conference represents a unique forum for scientific and technological exchange, being smaller than ACL and COLING, and more regional with extensive representation from the Pacific.

TOPICS

Substantial, original, and unpublished research is welcome on any topics in computational linguistics, including, but not limited to the following:

- Phonology and Phonetics
- Morphology and Morphological Analysis
- Syntax and Syntactic Analysis
- Semantics and Semantic Analysis
- Pragmatics and Discourse Analysis
- Spoken Language and Dialogue
- Language Resources
- Corpora and Corpus-based Language Processing
- Text and Message Understanding
- Text and Message Generation
- Information Extraction and Text Mining

- Information Retrieval and Question-Answering
- Text Summarization
- Language Learning
- Machine Translation
- Natural Language Interfaces
- Semantic Web and Semantic Computing

IMPORTANT DATES

Submission deadline	: April 7, 2017	April 19, 2017
Notification of acceptance	: May 15, 2017	May 25, 2017
Camera-ready copy due	: June 30, 2017	July 10, 2017
Conference dates	: August 16 – 18,	2017

SUBMISSION OF PAPERS

Authors should prepare submissions in English of up to 6 pages including references. Guidelines and style sheets (based on the IEEE format) are available on the website <http://pacling.ucsy.edu.mm/pacling/callForPaper.html>.

Papers that are being submitted to other conferences, whether verbatim or in essence must declare this fact. If a paper appears at another conference, it must be withdrawn from PACLING 2017. Papers that violate these requirements are subject to rejection without review. The submitted paper need not be anonymous.

All papers will be submitted electronically in PDF format, through the web-based conference management system called EasyChair. To submit through EasyChair, go to the PACLING 2017 EasyChair page: <https://www.easychair.org/conferences/?conf=pacling2017>

- Login using your existing EasyChair account, or create a new account following the instructions on the site.
- Once you have logged in, click on the "New Submission" link located in the top-left corner of the menu bar, and then follow the instructions to submit your paper.

BEST PAPER AWARD AND BEST STUDENT PAPER AWARD

Awards for best paper and best student paper will be selected based on the reviews by the program committee.

PUBLICATION

All accepted papers will be published in the conference proceedings in FlashDrive and made available on the website (after a given date).

Selected papers will be published as post-proceedings from Springer.
